## **SATCOM DIRECT OPENS WEST COAST OFFICE**

**Satellite Beach, FL, March 10, 2006** — In a move further expanding its growing operational base, on March 1<sup>st</sup> Satcom Direct officially announced the opening of its Phoenix office.

When asked about the move, Ms. Becca Laitinen said that “the new office will allow Satcom Direct to deliver a higher standard of service and better respond to the needs of our customers in the western region of the country.” Ms. Laitinen, who has been working with Satcom Direct for nearly three years, will be managing the Phoenix office.

In early 2005, Satcom Direct opened a Washington, DC office – Satcom Direct Communications (SDC). With the addition of the Phoenix office and the corporate headquarters in Satellite Beach, FL, Satcom Direct now has three office locations.

Jim Jensen, Founder and CEO, commented on the rapid expansion of the organization. “This is an awesome time for Satcom Direct. Opening the Phoenix office is a natural progression for us since we focus on customer support. Establishing a company location in the west helps us better serve, maintain, and build our customer base”.

**About Satcom Direct:** Founded in 1997, Satcom Direct provides organizations around the globe with easy and reliable satellite communications services such as Global One Number™ and Aero X™ via Inmarsat and Iridium. The Fortune 500 relies on Satcom Direct as a partner for customized solutions, technical expertise, and unparalleled customer support. With a focus on improving performance, increasing profitability, and reducing operational costs of satellite communications service and equipment, Satcom Direct is how to connect.
