

Satcom Direct® Named **“Greatest Contributor to SwiftBroadband Growth”**

On November 21st, 2011, Satcom Direct was honored to be named the "Greatest Contributor to SwiftBroadband Growth for 2011" at Inmarsat's Partner Conference in Barcelona, Spain. This marks the second consecutive year that Satcom Direct has received this prestigious award. SwiftBroadband use has increased dramatically over the past year as passengers and crew increase their reliance on connectivity through use of email, mobile applications, voice over IP (VoIP) calls, and web browsing while on the aircraft.

“We are extremely pleased with the rapid growth of Satcom Direct’s SwiftBroadband value-added service since their launch as a DP in April 2009. Satcom Direct has created an incredible combination of innovative features and capabilities for the Business Aviation marketplace,” said Perry Melton, Chief Operating Officer of Inmarsat. “Satcom Direct’s dedication to SwiftBroadband is why they have earned Inmarsat’s annual award for “Greatest Contributor to SwiftBroadband Growth” for the last two years running.”

We would like to thank our customers for entrusting us with their most crucial connectivity needs—and helping us become the leading service provider for over half of the SwiftBroadband-equipped aircraft worldwide. If you need assistance with upgrading to SwiftBroadband, contact one of our technical experts at +1 321.777.3000.
